

## THANK YOU FOR CHOOSING QUIKTRAK GLOBAL

Thank you for choosing Quiktrak Global, one of the world's largest GPS security providers with worldwide coverage and service.

Quiktrak Global offer 3 solutions which your service can utilise. Please review below, and select which you would like to subscribe to.

**QuikProtect:** this is a user pays, credit based solution. To swap your service to Quiktrak servers, including a remote system check and verification, a once only fee of \$ 99 is payable.

**QuikLoc8:** is the state of the art asset monitoring and recovery service. Loc8 provide twice daily updates, including odometer readings, and fill alarms at no extra cost. To upgrade to this service, a reprovisioning fee of \$ 99 is payable. After that, the monthly fee is \$ 8. As a Loc8 customer you can upgrade to live or increase reporting intervals for a week, month, or year, via the app.

**QuikTrak LIVE:** live provides real time tracking, with full alarming and reporting, as well as access to our leading edge apps. The reprovisioning fee of \$ 99 is payable, with a monthly fee of just \$ 19 with no commitments or contracts.
